

## POSITION

You are the CTO of Betude Corporation, a start-up founded in Lauze attracting the best quantum computing talent from around the world. However, your company does not include any scientists from Bria due to the general political mistrust.

## CONFLICT

### **Domestic conflict with government:**

In light of your recently elected new government, you are concerned that any regulatory imposition will adversely impact Betude Corp's ability to commercialise their tech effectively and could potentially have a negative effect on returns for investors.
