

POSITION

You are the CTO of Betude Corporation, a start-up founded in Lauze attracting the best quantum computing talent from around the world. However, your company does not include any scientists from Bria due to the general political mistrust.

CONFLICT

Domestic conflict with government:

In light of your recently elected new government, you are concerned that any regulatory imposition will adversely impact Betude Corp's ability to commercialise their tech effectively and could potentially have a negative effect on returns for investors.
