

INFORMATIONS GENERALES GENERAL INFORMATION

TELECOM – OCTOBRE 87

Pendant l'exposition TELECOM à Genève un Symposium technique aura lieu du 22 au 27 octobre 1987. Pour de plus amples renseignements, prière de s'adresser par écrit à FORUM 87, UIT, 1211 Genève 20.

Afin de bénéficier de la finance d'inscription groupe (FS 440.- par personne au lieu de FS 480.-) Wagons-Lits Tourisme (agence CERN) centralisera toutes les inscriptions des personnes travaillant au CERN.

Les personnes envoyées par le CERN devront s'adresser comme d'habitude à leur secrétariat de division ou à la secrétaire chargée des voyages afin de remplir une 'Travel Requisition' qui sera acheminée par la voie habituelle.

Les participants privés pourront s'adresser directement à l'agence et bénéficieront également du tarif groupe.

CIRCULATION – SITE DE MEYRIN

Les transports spéciaux pour les expériences LEP nécessitent la suppression des bordures axiales situées sur les routes Einstein, Arago et Perrin.

Des lignes blanches continues remplaceront ces superstructures. **Mais restons tous conscients qu'elles constituent malgré tout une ligne infranchissable!**

TELECOM – OCTOBER 87

During the exhibition of TELECOM in Geneva a technical symposium will take place from 22 to 27 October 1987. For detailed information, please write to FORUM 87, IUT, 1211 Geneva 23.

To allow us to benefit from the group registration fee (SFr. 440.- per person instead of SFr. 480.-), Wagon-Lits Tourisme (CERN agency) will centralize all the registrations.

Staff sent by CERN will have to contact as usual either their Division secretariat or the secretary looking after travel to fill in a 'Travel Requisition', which will go through the usual channel.

Staff who wish to register privately can go directly to the agency and they will also benefit from the group registration fee.

TRAFFIC ON THE MEYRIN SITE

The special transport vehicles for the LEP experiments will require the central islands in the Einstein, Arago and Perrin roads to be removed.

Double continuous central white lines will replace these islands. **Remember however that these double white lines are not to be crossed!**
