AUDITORIUM

UN ETE CAPRICIEUX - MENZEL 1969 - Czechoslovakia,

This film was made by Jiri Menzel in 1969, and is really first-class amusement. A film made for the fun of filming.

The ingredients are cheap and simple... Summer in a small Czech village near a river. A bathing place and three men always sitting together during the day. The monotony of life is suddenly broken by the arrival of a tight rope walker and his beautiful assistant. From then on anything can happen...
