cern information

We apologise for the fact that last week's bulletin was late. This was due to a breakdown of the large printing machine coinciding with a particularly heavy load of Council Documents with strict deadlines.

D D Division

En raison d'une panne de machine d'impression, le présent bulletin a été réduit au minimum. Les insertions ne présentant pas de caractère urgent seront publiées dans le bulletin de la semaine prochaine.

P.I.O.

STAFF INSURANCE SCHEME ELECTIONS :

- Erratum : Please note that in last week's bulletin we indicated that Mrs. Busi's date of entry in CERN was 5.6.71. In fact the right date is 5.6.1961.
- Members of the scheme who have received voting papers for the Management Board elections are reminded that to be considered as valid these should be completed and returned to the Administration of the Staff Insurance Scheme, in the sealed envelopes provided, by 13 December at midday.

CAISSE D'ASSURANCES ELECTIONS :

- Erratum : Nous vous prions de bien vouloir noter que dans le bulletin de la semaine dernière, nous avons indiqué la date du 5.6.1971 comme d'entrée au CERN de Mme Busi. En fait, il s'agit du 5.6.1961.
- Par ailleurs, il est rappelé aux membres de la Caisse qui ont reçu les bulletins de vote pour les élections au Comité de Gestion, que ces bulletins, pour être valables, doivent être complétés et retournés à l'Administration de la Caisse dans les enveloppes fournies, soigneusement fermées, au plus tard le 13 décembre 1972 à midi.
