

INFORMATIONS GENERALES GENERAL INFORMATION

LOSS OF SALARY INSURANCE FOR NON- PROFESSIONAL ACCIDENT AND ILLNESS

AUSTRIA has the pleasure to inform you that we can provide all members of the personnel of CERN (until the age of 60) with the opportunity of being insured against the loss of salary in case of a prolonged absence due to a non professional accident or illness.

The insurance is totally compatible with the CERN Staff Rules and Regulations with regard to remuneration paid during sick leave. The loss of salary insurance offered by AUSTRIA will cover the salary reduction applied by CERN as of the 13th month of sick leave for non professional accident or illness.

The insured salary comprises :

- the basic monthly salary paid by CERN according to Annex R A 1 (if necessary reduced proportionally) of the Staff Rules and Regulations;
- the non resident allowance;
- the special personal allowance ("ex 44 hours");
- indemnity for shift work.

We offer a flexible joining and cancellation system as well as an advantageous premium: 0.1 % of the basic annual salary, deducted directly from your salary.

The initial contract is of one year and is renewable each year by tacit agreement. We guarantee provisional coverage as soon as we have received the insurance proposal. With the exception of particular cases, the insured person will receive within 30 days the insurance policy.

The staff at our CERN branch and at our head office is available for any additional information you may require. Please do not hesitate to contact us.

AUSTRIA ASSURANCES S.A.

ASSURANCE CONTRE LA PERTE DE SALAIRE

L'AUSTRIA Assurances est heureuse de pouvoir offrir à tous les membres du personnel du CERN (jusqu'à 60 ans révolus) la possibilité de s'assurer contre le risque de perte de salaire résultant d'un congé prolongé pour maladie ou accident non-professionnel.

Cette assurance est parfaitement compatible avec les Statut et Règlement du Personnel du CERN (Article R II 4.14) en ce qui concerne la rémunération pendant les congés de maladie. Le but de l'assurance indemnité journalière pour perte de gain d'AUSTRIA Assurances est de couvrir la réduction de salaire opérée par le CERN dès le 13ème mois de congé pour maladie ou accident non-professionnel(le).

Nous considérons comme gain assuré :

- traitement mensuel de base dû par le CERN selon Annexe R A 1 (le cas échéant réduit proportionnellement) des Statut et Règlement du Personnel du CERN;
- indemnité de non-résidence;
- allocation spéciale personnelle ("ex-44 heures");
- rémunération pour travail par roulement.

Nous offrons des formules d'affiliation et de résiliation souples et la prime est avantageuse: 0,1 % de votre salaire de base annuel, prélevée directement sur votre salaire.

L'assurance est conclue pour une année, reconductible tacitement chaque année.

Nous garantissons la couverture provisoire, dès réception de la proposition d'assurance. Sauf cas particulier, l'assuré recevra dans les 30 jours sa police d'assurance.

Le personnel d'AUSTRIA au CERN et au siège est à votre disposition pour tout renseignement complémentaire. N'hésitez pas à nous contacter.
