RECORD

After the recent input of 400 new records into the Library, the Club is now following this up with a GRAND SALE of some of the 'dead wood' from the Library shelves. This sale will start on Wednesday, 9th July and will be held during the normal Record Library opening times, i.e. 12.30-13.00 and 17.30-18.00 on both Wednesdays and Thursdays. There will be nearly 150 records in this sale, a lot of them still in good condition, with a maximum price tag of FS 3.- per record, though in fact most of them will be only FS 2.-. At a similar sale held in 1973 practically all records were sold on the first day, so if you want a bargain, make sure you come early on Wednesday.
