CHRISTMAS CARDS

No CERN card this year,
 Charity cards commended

In the past years, CERN has had prepared a special Christmas card which was put on sale at the Kiosk. With the relatively small numbers involved, the economics of even one card have not been advantageous and it has been impracticable to provide a selection.

This year it has been decided to make the experiment of not printing a special CERN card. Instead the Directorate commends to your attention the charity cards that are on sale....
