CINEMA

30 et 31 mai - 20 h 30 - Amphithéâtre - TAKE THE MONEY AND RUN de Woody Allen (USA 1969). V.o., s.-t. français et allemand.
"Avec la coloration un peu masochiste de l'humour juif, "Take the money ardrun" est le type même du film comique où se mêlent l'absurde, l'ir-révérence et les citations. Parodie des films de gangsters et des mélo-drames, c'est un des rares films qui soit à la fois un anti Bonnie and Clyde et un anti Love Story."

YACHTING CLUB

Thanks to the generous help of M. Georges Leskens (in laying buoys) and M. Baumgartner (in lending the club an outboard) the first CERN Regatta took place sucessfully on Saturday 18th May. The weather conditions were the traditional sunshine and light airs. Leading positions on handicap were :

LESTES (8) : 1. GOERTZ, TONYBEE (Sabre), 2. BAUMGARTNER et al. (Sabre), 3. RINGROSE et al. (Vega) 4. DUFÉY. ALIMENTI (Yngling)
DERIVEURS (16) : 1. HAEBEL, MAYER (485) 2. HOYER, HOYER (470) 3. RUDGE, DAVIS (Javalin) 4. IRVING, MICHAEL (Fireball).

To ensure the safety of competitors in subsequent regattes, the club wishes to hire a motor boat of some power (15-40 horse-power). Anyone with such a boat and willing to hire it at a price to be discussed is asked to contact Alan IRVING (2459) or any other committee member.
