N.B.B.S.

The Dutch Office for Foreign Student Relations (N.B.B.S.), organize transatlantic crossings between Rotterdam and New York each year. A few places are offered free of charge to persons willing to take part in the "orientation programme" for the students, i.e. to give talks (in English) on different topics and to participate in other cultural activities on boards.

Two N.B.B.S. representatives will give more information to those interested on Wednesday 9 February at 16.30, in "Salle A" (corridor to Council Chamber, ADM Bldg).
