TO MEMBERS OF THE
STAFF INSURANCE SCHEME
(Pension Fund and Savings Fund)

The Management Board of the Staff Insurance Scheme decided, at its meeting on 10, September, that although it had intended to hold its annual information meeting of the insured members in the early autumn, it would be more appropriate to hold the meeting a few months later, when it is hoped that more complete information will be available on the proposed changes to the Scheme to be put before the CERN Finance Committee and Council.

The Board feels that this arrangement will, in the long run, be of more service to the insured members.

The annual report of the Scheme is still at your disposal.

CERN CHOIR AND ORCHESTRA

=====

As announced in the Bulletin Nr.29 in July a CERN choir and orchestra is being formed to prepare a concert of Christmas music in collaboration with the Geneva Amateur Operatic Society (GAOS). Two performances are planned, one in "Le Temple de la Madeleine" on 14 December and one at CERN on 17 December.

The first half of the concert will be devoted to extracts from Bach's Christmas Oratorio and the second half to Christmas carols from as many countries as possible.

We have so far a fairly well balanced choir of about fifty voices, and room for more, altos being specially welcome. On the instrumental side we need strings (including double bass), trumpets, oboes, flutes and a bassoon, rehearsal pianists, an organist and assistant conductors.

People willing to help with publicity, music copying, backstage work, etc., are also very welcome and needed.

Rehearsals will take place on Wednesday evenings (8 p.m. - 10 p.m.) in the CERN auditorium, beginning 16 October, 1974. The scores have arrived and will be distributed soon.

Anyone interested, please phone or send the cut-out to one of the people listed below :
