Dear Serena,

Would you please provide me with the following information regarding your Thesis, so that the submission can be made on CDS:

· title of the thesis:

Search for direct CP violation in charm neutral meson decays at LHCb

· supervisors:

Dott. Stefano Perazzini
Prof. Angelo Carbone

· abstract (in LaTeX)

See attached document

· number of pages:

268

· CERN dep: EP

· experiment: LHCb

· diploma awarded:

PhD or Dottorato di ricerca in Fisica

· university:

Anna Mater Studiorum – Università di Bologna

· place:

V Bertini Pichat, 6/2

· date of submission to university:

16 May 2022

· defence date:

15 June 2022

Thank you in advance.

Keep Safe
Kind regards

Nath

Subject: My PhD thesis on CDS

Dear Cindy, all,

I need a public link on CDS where my PhD thesis will appear.

For the moment I only have the “urgency” of having the link ready so it can be published. Then, in a second moment I will send you the pdf document for the upload.

Could you please create it?

Thanks a lot in advance

Cheers

Serena
