ELECTROSOLAIRE

Prochaine réunion le **mardi 24 mai** à l'Ecole de Mécanique 38, Avenue Louis Bertrand / Petit-Lancy, Atelier de Soudure (R. de C.) à 18h.00.

Un compte rendu sommaire de la 8^{ème} Conférence Internationale sur le Photovoltaïque (Florence 9-13 mai 1988) sera donné par J. Dupin dans une prochaine réunion (le prix du Kwh-PV d'ici 5 ans aux U.S.A. : 12 cents, d'ici 2000 : 6 cents; 730 participants ; record absolu de rendement sur petites cellules : 28.1 % avec ASGA et concentration ; record prévu avec cellules tandem ASGA - CuInSe₂ : 34 %) ?

CRICKET

We have had a flying start to the season with more than 7 (just enough for the roller !) turning up at the practice sessions on Thursdays . However, the first match of the season on Sunday, 1st May had to be called off due to lack of opposition, or to be precise, physical absence of players to provide the opposition; maybe they (Geneva Sri Lankans) are conserving their strength for their Swiss Cup game against us on the Sunday, 15th May. Cricket enthusiasts should note that it may be a long CERN weekend but it is cricket as usual on our home grounds on that day.

The coming Sunday, 8th May, we meet our traditional Geneva opponents at their home ground, Stade de Richemont. Supporters, Spectators and groupies are welcome, especially if they want to see the debut for CCC of our new acquisition from down-under, ex-Sheffield Shield etc.

We have been invited by Euratom-Ispira to play them during the Whitsun weekend, 21/22 May , even without the full complement of 11. However, we have got a poor response so far from CCC; should we give away this fixture to softballers ?

New comers, cricket players or simply supporters, should note at further information on cricket at CERN is available at Tel. nos. 2719,2923,3818. Cricket practice is held 17:35 hrs onwards, every Thursday throughout the summer at our SPS grounds.

GOLF

It has to be said ! Only the Golf Club would have the temerity to organize a tournament on Friday the 13th !

It was Jim Allaby's bright idea, but he wisely dropped out a week before, presumably as a result of some ethereal communication. Two of the first three members scheduled to tee off withdrew with injuries from overtraining, only two days before. This no doubt brings amused smirks to the faces of those foot and softball fanatics, will accustomed to charging across tussocky turnip fields in pursuit of a cement-filled bladder.

Lio FROST-AINLEY came off best ; draped in garlic sheaves and mistletoe, his pockets stuffed with tabbitts feet and brass crucifixes. He scored the modest (for him) total of 35 Stableford points. Muriel FORMAN was second with 35 points, but it took two strong men to uncross her fingers to enable her to collect her prize. Vincent GATTONE and Peter JONES tied for third place with 34 points each. Lio also won the prize for "nearest the pin" on the 7th, but the prize for cheek (and bad luck) must go to the President who tried to claim this one after driving off from the 8th !

Anyway, unaffected by all this, and after favourable reports by the three prominent astrologists we have decided to organize the next tournament for **Saturday, the 11th June**. The exact venue will not be revealed until sixty days after the vernal equinox.
