As we announced at our divisional meetings, the Staff Association is publishing each week in the Weekly Bulletin its

Recruitometer

designed to keep you informed of your participation in the "Programme of recruitment financed by saved leave".

The figure on the left, of the filling of the measuring instrument, gives the total number of slices of 2.5% subscribed for 1998 at the date indicated.

The figure on the right, indicated by the instrument, gives the additional recruitment made possible by your participation, calculated on the basis of the approximation of 1 recruitment for 40 slices.

We would like to thank all of you who have already subscribed to this joint effort, and to encourage strongly those staff members who have not yet signed up, to do so as soon as possible to assure extra recruitment in our divisions, stability in employment conditions until at least the next five-yearly review (1 January 2001), social peace, and to strengthen our position vis-à-vis the Member States.

DERNIERE MINUTE

La date limite pour le transfert, sur le compte épargne, des jours de congé non utilisés en 1997, est reportée au 15 octobre.

* subscribed for 1998. (1 slice = 2,5% of basic salary during 12 months)
