ALLOWANCES PAID FOR CHILDREN OF 18 AND ABOVE

In accordance with Staff Regulations R IV 1.12 and 1.13 children's allowances are paid for children

- up to the age of 18 and
- under 25 years of age attending an educational establishment full-time or having an apprenticeship contract recognized by the local law.

Members of the personnel who have children aged 18 and above, for whom they are receiving children's allowances from CERN, are requested to complete the form below and return it as indicated by 15th September 1976.

For children whose full-time education or apprenticeship ceases at the end of the school year 1975/76, the children's allowance will be suppressed from 1st September 1976. After that date they will no longer be covered by the "Austria" Health Insurance Scheme, unless an additional premium is paid.

For children who are continuing full-time education during the school year 1976/77 a certificate to this effect issued by the school or institute should be forwarded to the Claims and Leave Office by the 1st November 1976, or the allowance will be suppressed with retroactive effect from 1st September 1976.

ASSURANCE-MALADIE AUSTRIA

Le Bureau de l'Assurance-Maladie AUSTRIA rappelle que la couverture d'assurance maladie-accident n'est acquise que moyennant le paiement d'une surprime avant le départ :

- si vous voyagez hors d'Europe pendant un congé non-payé par le CERN,
- si votre conjoint ou vos enfants voyagent hors d'Europe indépendamment de vous (p.e. congé séparé au foyer).

Dans tous les cas et avant votre départ, consultez les représentants de la Compagnie d'Assurance AUSTRIA.

HEALTH INSURANCE AUSTRIA

The Austria Health Insurance Office reminds you that insurance cover is granted only after a payment of a supplementary premium :

- if you travel outside Europe during an unpaid leave from CERN,
- if your spouse or husband or children travel outside Europe independently from you (e.g. separate home leave).

In any case, please contact the representatives of the AUSTRIA Insurance Company before leaving.

EXECUTIVE COMMITTEE

The Executive Committee met on 2 August in order to prepare for the meeting of the Internal Working Group on Social Conditions of the CERN Personnel to be held on 9 August. The Committee reviewed the format and wording of the questionnaire drafted by the Management and agreed upon an alternative version which corresponded to the motives behind the Staff Association's original proposal to set up the Enquiry. The Committee agreed upon the sale in October of a special series of stamps under the auspices of the Staff Association to commemorate the inauguration of the SPS. The organization of a collection on behalf of the dependants of the victims of a car crash was also discussed. Agenda for the next meeting to be held on 9 August at 3.30 pm :

1. Motion drafted by the PE Division representatives to be presented to the Staff Council at its next meeting,
2. Other business.
