## SUMMER STUDENTS FORTRAN PROGRAMMING COURSE :

The television films will be shown again between August 12th and 28th, under the supervision of Miss Kurjo. This is a repeat of the first part of the FORTRAN course, with additional exercises. Miss Kurjo will be available for informal discussions with students on points arising from the course, or on any other computing problem, from 15.00 to 17.00 from Friday, August 16th to Wednesday, August 28th at the Students' RIOS (Building 54, R-035).

The films will be shown at 14.00 in the Training and Education Service, Building 57, second floor, Salle I, according to the following schedule :

|                      |                                                        |
|----------------------|--------------------------------------------------------|
| Tuesday, 20 August   | Real and integer numbers, operators and the logical IF |
| Wednesday, 21 August | Simple input/output and the use of arrays              |
| Friday, 23 August    | DO loops                                               |
| Monday, 26 August    | Multidimensional arrays and functions                  |
| Wednesday, 28 August | Subroutines and functions.                             |

Notice for everyone who attended the first lectures : Please mail any unwanted copies of the green book on the FORTRAN course to the Fellows and Associates Service.

## SUMMER STUDENTS FILMS

|                                          |                                                                                                         |
|------------------------------------------|---------------------------------------------------------------------------------------------------------|
| Monday, August 19<br>14.00<br>Auditorium | a/ "Inside CERN" - a general film on CERN; color, 20 min. (English)                                     |
|                                          | b/ " BEBC " - un film technique sur la grande chambre à bulles européenne; couleurs, 30 min. (Français) |
|                                          | c/ "Dévoiler l'Inaccessible" - un film général sur le CERN; couleurs, 20 min. (Français).               |
|                                          | N.B.: Another (different) programme will be announced next week.                                        |

| Allemand      | Conversation/            | 4             | German          | Conversation/            | 4            |
|               | Entraînement grammatical |               |                 | Grammar Practice         |              |

Le programme, contenant la description détaillée des cours, les horaires, les taxes d'inscription et la procédure d'inscription, peut être obtenu en retournant la carte jaune qui a été distribuée à tout le personnel. Au cas où vous l'auriez perdue, utilisez le coupon ci-dessous.

Ce programme peut également être consulté dans les Secrétariats de Division ou aux tableaux d'affichage du Service de l'Enseignement situés dans le bâtiment de l'Administration, près du restaurant N°1, dans le bâtiment 504, entrée du restaurant N°2, et à la baraque 589, salle 8.

The programme containing a detailed description of the courses, the time-table, the enrolment fees and the enrolment procedure, can be obtained by returning the yellow card which has been distributed to all staff members. If you have lost it, please use the form below.

This programme can also be consulted at the Secretariat of your Division or on the Training & Education notice boards placed in the Administration Building, near the restaurant N°1, in Building 504, entrance of the restaurant N°2, and in barrack 589, room N°8.

DERNIER DELAI POUR LES INSCRIPTIONS :

vendredi 30 août 1974

DEAD-LINE FOR ENROLMENTS :

Friday, 30th August, 1974

A : Mlle M. Duval - Service de l'Enseignement

## USE OF THE CUSTOMS GATE ADJACENT TO THE MAIN STORES

As a result of a reorganization of the Swiss customs post at Meyrin and at the request of the authorities concerned, the gate giving access from rue Balmer to the courtyard of the Meyrin customs post is to be used only by vehicles either arriving from France and delivering goods to CERN or taking goods from CERN. Vehicles bringing goods from Switzerland will use the gate at Central Reception.

No other vehicles (including official vehicles) will be allowed to enter by the customs gate.

G.H. Hampton - Director,  
Department of Administration

## SOUDAGE PAR FAISCEAU D'ELECTRONS

L'installation de l'Atelier Ouest, vieille de plus de 10 ans, sera améliorée. Pour permettre les transformations envisagées, elle sera mise hors service à partir du 15 septembre et jusqu'à la fin novembre.

La sous-traitance de travaux de soudage par faisceau d'électrons peut être envisagée et M. Thony (Tél. 3368) est à disposition pour tout renseignement à ce sujet.
