HEALTH INSURANCE

Prescription renewals

- If the physician has not indicated that a prescription is to be renewed, the CMSE shall make reimbursement in respect of the prescription itself and, ex gratia, of one renewal thereof.
- If the physician has marked a prescription "to be renewed" without specifying the number of times, the CMSE shall make reimbursement in respect of the prescription itself and of two renewals thereof.
- If the physician has specified the number of renewals or the time during which the medicament is to be taken, the CMSE shall make reimbursement in accordance with what has been prescribed.
- When a claim has been disallowed by the CMSE, the claimant may not have a new prescription made out with retroactive effect.
- If renewals have been prescribed, the claimant should endeavour to submit the prescription and all pharmaceutical bills as part of the same claim.

We deeply regret to announce the sudden death of :

John Ernest HARVEY

at the Geneva Cantonal Hospital, on Friday, 18 July.
John was a designer-draughtsman in the MSC
Engineering Group and a prominent member of the
CERN Cricket Club. He was well thought of by his
friends and colleagues who extend their sincere
condolences to his family. The funeral service will
take place in England at the Amersham Crematorium
on 30 July, at 14.30h. Floral tributes may be sent to :

K. Y. GREEN,
