

ASSOCIATION DU PERSONNEL STAFF ASSOCIATION

EXECUTIVE COMMITTEE

1. SERVICE AND MAINTENANCE CONTRACTS

In September 1978, at the suggestion of the Staff Association, the Finance Committee decided to impose a two-year moratorium on service contracts, and to draw up an alternative contract policy to that based on accepting the lowest bid.

The CERN Management has therefore prepared an initial draft which the Executive Committee examined at its latest meeting. The Committee asked its members to study the document thoroughly and give their comments as soon as possible.

2. NON-RESIDENT ALLOWANCE

After consulting the delegates concerned, the Executive Committee is to prepare a fresh proposal to be sent to the CERN Management before discussions in the SAC. Delegates and members of the personnel are also invited to send their comments to the Staff Association Secretariat.

3. PENSIONS

The Staff Association representatives in the "Pensions" group have made a first progress report. The group thinks that it will be possible to complete a report on increases in pensions before the end of May.

4. NEW ADMINISTRATIVE CIRCULARS

The Executive Committee has started work on an account of the SAC meeting on 24 March, 1980, at which four circulars were discussed (see joint communiqué in the official section of the Weekly Bulletin).

The Staff Association agreed only to the document relating to circulars in general, but with a reservation to be submitted to the Executive Committee on 3 April, 1980.

The Staff Association has agreed unconditionally with the draft circular "Occupational Accidents and Illnesses" prepared by an ad hoc joint committee, together with a set of recommendations aimed at improving insurance cover.

Owing to the complexity of the problem, this circular will be examined later and discussed again at the next SAC.

5. ELECTORAL GROUPS

The scrutineers from each Division held a meeting with the delegates to reorganise the electoral groups on the basis of the criteria listed in the Flash of 24 March, 1980.

The new lists will be posted up fifteen days before the General Meeting on 23 April, 1980.
