ALLOWANCES PAID FOR CHILDREN OF 18 AND ABOVE

In accordance with Staff Regulations R IV
1.12 and 1.13, children's allowances are paid
for children

- up to the age of 18 and
- under 25 years of age attending an educational
establishment full-time or having an appren-
ticeship contract recognized by the applicable
law.

Members of the personnel who have children
aged 18 and above, for whom they are receiving
allowances from CERN, are requested to complete
the form below and return it as indicated by the
15th September 1978.

For children whose full-time education or
apprenticeship ceases at the end of the school
year 1977/78, the children's allowance will cease
to be paid from the 1st September 1978. They will
no longer be covered by the 'Austria' Health
Insurance Scheme after that date unless a supple-
mentary premium is paid by the staff member.

For children who are continuing full-time
education during the school year 1978/79, a
certificate to this effect issued by the school
or institute should be forwarded to the Claims
and Leave Office by the 31st October 1978,
failing which the allowance will cease to be paid
with retroactive effect from 1st September 1978.
