SOFTBALL

On Sunday 28 June in blazing sunshine CERN ran CATERPILLAR into the ground ! We started brilliantly with five runs in the first innings Mark & Rick scoring homers. Rick bringing in two other runners. This worried CAT and CERN were so shocked that they immediately collapsed. The game finished 26-10 to CAT.

Rick "farmburger" Shypit made two great catches in left field and Dave "Hot Pants" Muller picked up a beauty in centre field - a better performance than the previous Friday evening in the Pickwick !

CRICKET

CRICKET Cern vs. Lausanne E.S.C.

CCC 202 for 8 declared ! I can hear the communal murmurs of disbelief already. But this actually happened before a 10-strong crowd, just 5 days ago, in our own fair city, and without the help of such as the Cobra, 'Beer-gut' Sale, and a distinctly less than full-pace Gaunt (who appeared to have had a very long argument with the Gorilla the night before). To be fair, we were up against probably the worst side in the history of the Universe, but stranger things have happened Ritchie. A fair measure of their ineptitude was that 'Gramps' Carter made 61 runs, thereby topping his aggregate for the previous n seasons (n an integer tending to infinity). Other useful knocks came from Jay (44), Beard (the 'Pedestrian'), and Old Bill Hancock, who hit a six (yes, we were all surprised as well!). Lausanne's innings started off at a snail's pace and then slowed dramatically, often having the wicket count well ahead of the runs scored, until the arrival of Davie 'Turncoat' Allen that is, who translated a fairly ominous looking 20 for 9 into the slightly less embarrassing 39 all out - a CCC victory by 163 runs!!!
