PRESENT HOUSING
SITUATION

During the past year the housing situation in Geneva has improved considerably. Whilst this change is very favorable to persons seeking an apartment it can create difficulties for those wishing to leave their flat before the end of their lease. Already some cases of payment of one to three months rent after departure have been brought to our notice. We therefore recommend Staff members who are intending to leave their apartment before the end of their lease to notify their Régie as soon as possible in order to try to avoid additional expenses.

Housing Service

CERN WIVES

A group of CERN wives representing different nationalities and living in the Geneva region welcomes all newly arrived wives of members of the personnel on the first Tuesday of each month from 2 to 4 p.m. at Restaurant N°2. The next meeting will be held on February 4th, 1975.

EPOUSES DE CERNOIS

Un groupe d'épouses de Cernois, de différentes nationalités et habitant la région genevoise, accueille toutes les épouses des membres du personnel nouvellement arrivées, le premier mardi du mois, de 14h.00 à 16h.00 au Restaurant N°2. La prochaine réunion aura lieu le 4 février 1975.
