TRAINING AND EDUCATION ENSEIGNEMENT

LANGUAGE COURSES

Semi-Intensive French Courses

Certain participants in a French semi-intensive course due to finish on Friday, 1 April 1977 have requested a continuation of this course after Easter. Not all the present students can continue, which leaves some vacancies for any Fellows, Associates and their Families who already have some basic notions of French but who still have great difficulties especially in oral expression and comprehension.

Full details can be obtained by returning the form below to the Language Courses Secretariat (Tel. 3127).
