GENERALES

GENERAL INFORMATION

CHAIR AT IMPERIAL COLLEGE, LONDON

Applications are invited for the Chair of Experimental Particle Physics at the Imperial College of Science and Technology, University of London. The Professor appointed would lead the High Energy Nuclear Physics Group within the Department of Physics. Further particulars should first be obtained from the Academic Register (N), University of London, Malet Street, London WC1E 7HU, UK. Applications (10 copies) must be received by 23 September.

SERVICES DE LA BIBLIOTHÈQUE

En raison du manque de personnel, il nous est impossible d'assurer dès le 29 août, comme prévu, le service normal aux lecteurs (prêts et information) à la Bibliothèque centrale. En attendant, le service sera assuré de

10.00 à 12.00 et de 14.00 à 16.00 h.

Dans la mesure du possible ces heures de présence seront augmentées.

Le service de prêt inter-bibliothèque fonctionnera de nouveau normalement.

Nous nous excusons auprès de nos lecteurs pour cet inconvénient.

GENEVA EVENT FOR DENMARK

'The Geneva Event' – the film about the UA1 experiment at the SPS proton-antiproton collider – is to be screened on Danish TV on Monday 19 September at 21.10 hrs.

LIBRARY SERVICES

Owing to the continuing shortage of staff, it has unfortunately been impossible to resume full-time attendance in the Central Library Reading Room on 29 August, as planned. Every effort will be made to re-establish the full service as soon as possible. In the meantime the Library Desk will be open during the following hours :

10.00 - 12.00 and 14.00 - 16.00 hrs

and extended whenever possible.

The Inter-Library Loan Service will function normally.

We wish to apologize to our readers for the inconvenience this may cause them.

A. Günther
