

VACATION STUDENTS 1965

Les conférences ont été organisées principalement à l'intention des étudiants d'été; toutefois, les membres du personnel, boursiers ou visiteurs qui désirent y assister sont les bienvenus.

Ces conférences ont lieu dans l'Amphithéâtre, à partir de 8h.45. Chacune d'elles dure environ une heure et demie et est suivie d'une brève discussion.

This series of lectures has been organized primarily for university students participating in the vacation student scheme, but any staff members, fellows or visitors wishing to attend will be welcome.

The lectures take place in the Main Auditorium, beginning at 8.45 a.m. Each one lasts about an hour and a half, after which there is a short discussion period.

<u>Date</u>		<u>Title / Titre</u>	<u>Lecturer / Conférencier</u>
6.9.65	8.45 a.m.	Theory of weak interactions (cont.)	M. Veltman
7.9.65	8.45 a.m.	The study of neutrinos	J.M. Gaillard
8.9.65	8.45 a.m.	ditto (continued)	ditto
8.9.65	2.30 p.m.	High energy physics in the Soviet Union	K. Myklebost & B. Zacharov
9.9.65	-	(Jefine Genevois - holiday)	
10.9.65	8.45 a.m.	Theory of weak interactions (cont.)	M. Veltman
